**TELEX
SpinWise™**

TELEX SPINWISE 16X DVD TOWERS

FROM 1 TO 7 COPIES

SpinWise DVD duplicators provide hard drives, allowing for ample room to store frequently used images. Models offer the ability to make from one to seven copies at once. Multiple industrial fans provide maximum cooling to protect data and video files. Extremely user-friendly, the SpinWise DVD copiers also function as CD duplicators.

Note: Original does not have to be loaded onto hard drive. If original is in one of the drives, one less copy will be produced
