CARE AND HANDLING OF AUDIO/VIDEO TAPE

REMEMBER THE FOLLOWING WHEN STORING AND USING TAPE:

- Always store tape in cool, dry environment
- Keep tape in dust-protective cover
- Keep magnets at least 1" away from tape
- Do not store tape upside down
- Do not leave tape in direct sun, hot vehicles, etc.
- To prevent accidental erase, break off plastic tabs on audio/video cassettes
- For archival storage, rewind tape every 1-5 years to relieve stress in the pack
